The California Certified Florist Program, underwritten by CSFA, is a statewide certification program that evaluates and accredits the craftsmanship and professional skill level of florists in California.

It is designed to certify a basic level of ability and knowledge that is necessary for personal success in the floral industry.

The growing number of certified members form a network of support, ensure professional quality and maintain the standards within the floral industry of California.

Who should become a California Certified Florist

- Retail florist shop owners
Retail florist employees
Free-lance designers
Party and event designers
Floristry students

Why you should become a California Certified Florist (CCF)

To be classified among the state's most respected and knowledgeable florists; To develop and maintain indus-

try standards promoting respectability, professionalism and service in our field; For the privilege of using the CCF accreditation and logo in advertising and promotions; To help raise the profile of our profession. Furthermore CCF is recognized by AIFD as an Approved Pathway Provider.

How to become a California Certified Florist

Applicants may pursue certification independently or be sponsored by an employer. Sponsored students who attain certification will automatically earn a certificate for their employer. Certification requires passing a one-day exam consisting of written and hands-on testing. See our website for more details on the exam and testing requirements: www.californiacertifiedflorist.org
